WHAT IS

SUNRISE GLASS

Sunrise Glass Industries Pvt. Ltd., a division of Astron Group, is a leading glass manufacturer based in Surat, Gujarat. We are India's fourth-largest container glass manufacturer, operating at a capacity of 650 MT per day. Our products include Flint wine bottles, food jars, sauce bottles, milk bottles, and water bottles. We have been recognized as the TRIAL FONT Most Trusted Container Glass Manufacturer TRIAL FONT by Worldwide Achievers. Our clients include Pernod Ricard and Diageo, and we export to the USA, Poland, Europe, Spain, Italy, Canada, Vietnam, Myanmar, Indonesia, Sri Lanka and to all major African nations. We are also suppliers to brands like Sula and Fratelli. In the food segment, we supply jars and bottles to companies like Amul, Mahananda, and Nestle. We are committed to delivering high-quality products and excellent customer service.

Three green glass bottles are shown in the background, slightly out of focus. A white line graph is overlaid on the left side of the bottles, showing a sharp upward trend. The text 'OUR CAPACITY' is written in white, bold, sans-serif capital letters to the right of the graph.

OUR CAPACITY

Our factories, situated in Surat, Gujarat, hold a total of three furnaces and have a capacity of 650 MT per day at present. The varied production line is divided into 14 lines, each with variations of SGT DG and TG machines consisting of 6 to 8 section

SUNRISE GLASS IND. PVT. LTD. retains a total of three furnaces with a combined capacity of 650 MT per day, which positions us as the fourth largest glass container manufacturer in India. Additionally, we are proud to be recognized as the fastest growing glass manufacturer in the country.
